SUMMER CAMP REGISTARTION

The Summer Art Camp program is designed to introduce children to different art forms. Students will learn to use various mediums and will be assigned different projects to complete throughout the session. The Summer Art Camp is not only fun, but also very educational. Students will leave with a sense of achievement and a strong foundation in art.

Campers will have daily activities and projects. The camp introduces students to Drawing, Painting and Multi-Media. There is a $25 one-time registration fee.

By signing this form, you permit your child to participate in all on-ground and off-ground activities including field trips throughout summer camp. Parents are permitted to attend all events, at own expense. IPCA will notify parents of all off-ground activities prior to sceduled event.
