GUIDELINES

IPCA proudly presents the FAW Exhibition, an exhibition opportunity to express the importance and appreciation for Food and Drinks. They say food is the ingredient that blends us together! So, join us as IPCA introduces and invites you to the FAW Festival Exhibition!

For our Celebration and Gallery Dedication FAW Exhibition 2026, we are looking for your artistic interpretation of Food and Drinks in relation to family and friends gatherings, healthy foods, fast food culture, religious foods, fasting, diets, natural foods and drinks, food journey to reach our table, chefs, kitchens, food and drink tasting, cooking, food serving, restaurants, street foods and beverages, traditional and cultural foods, and the list goes on and on as Food and Drinks are as ancient as the human being. You can display not only the food itself but also people who enjoy eating and drinking it together or alone. We encourage all abstract and representational artists to exhibit their food-inspired art.
